

# 500 Book Challenge! Name \_\_\_\_\_

									PIZZA

Please read a book with your child. If it is an easy book, have your child take turns reading. If it is a more difficult book, read it to your child and ask your child a few questions as you read.

Please put your initials and the date in a box each time you finish a book. If the box was signed, your child will be permitted to get a new book.
