blue	cold	far	little	live	their
The mat is blue. The fan is blue. The bat is blue.	I am cold. Mom is cold. Nat is cold.	Is the man far? Is the van far? Is the sand far?	A bug is little. A hen is little. A pig is not little.	I live by you. We live there. She will live by me.	That is their dog. That is their cat. That is their car.
My dress is blue. His top is blue. A fish can be blue.	Dad is cold. Peg is cold. Tom is not cold.	That path is too far. My school is not far. Dad is far from me.	Little kids can bat. Little bugs can hop. My bed is little.	Do you live by me? Do you live by him? A fish cannot live on land.	Their dog is there. There is their mom. Their mom is cold.
