

# Roll A Sight Word

Grade 1 Lesson 12

been	brown	know	never	off	out
I have been there. We have been there. He has been there.	The dog is brown. My cat is brown. I have a brown one.	I know that dog. We know that cat. She will know that cat.	I never go there. She will never sit still. We never see him.	Get off! I was off of the bed. Pam was off of the mat.	Get out! I was out there. I am out of gum.
Where have you been? Where has he been? Where has she been?	What is brown? Where is the brown one? I like the brown one.	Do you know his mom? Did you know that one? Did he know that man?	Who has never been there? What was never there? Never take a big sip.	When did you get off? I am off of the top. Go off of the grass.	I did not go out. We will not be out. She is out here.
